I hereby forward my resume to express my interest on an invitation for the internship programme . I want an internship because I'm sure it would strongly enrich my future studies and help me in my perspective career. I'm a focused, disciplined, hardworking individual and team player.

Moreover, I consider an internship as a great opportunity to learn to take better control of my career. I am eager to enhance and refine my personal development within the organization and take on the challenges that lie ahead.

I understand I still need more exposure and proper guidance from experience professionals in your organisation where I can also apply my knowledge and learn new skills. I will endeavour to effectively perform all my tasks as required by the organization and maintain the standard as defined by the organization given the opportunity I will perform my duties with perseverance, dedication and loyalty. It is my aim to make and be part of a successful team that is directly involved making the organization a success as I believe I have a role to play in making things a success.

Yours sincerely
